GENERAL RATE INCREASE

TO: Valued Customer
FROM: APPS Transport Group
DATE: November 20, 2024

1. Please note that APPS CARGO TERMINALS is announcing a General Rate Increase of 4.6% effective on the expiry date of your current rate authority. In the event that your rate authority has already expired, then the rate increase will be effective no later than January 1, 2025.

The adjustment has been calculated to offset general increases in cost in all areas of the business but specifically the cost of transportation equipment, railway line-haul, labour and real-estate. We have taken every measure to improve efficiency and to minimize cost in order to mitigate this rate increase. This adjustment allows us to continue to invest in the resources that result in the superior service you deserve and expect.

If you have any questions or concerns, please reach out to your local Account Manager to discuss.
